AUDIT COMMITTEE CHARTER

The board of directors (the “**Board**”) of Senstar Technologies Corporation (the “**Company**”) has constituted and established an audit committee (the “**Committee**”) with the authority, responsibility and duties as described in this Audit Committee Charter (this “**Charter**”).

I. Purpose

The purpose of the Committee is to oversee the accounting and financial reporting processes of the Company and the audits of the financial statements of the Company.

The Committee’s responsibilities are limited to oversight. The Company’s management is responsible for establishing and maintaining accounting policies and procedures in accordance with U.S. General Accepted Accounting Principles and other applicable reporting and disclosure standards and for preparing the Company’s financial statements. The Company’s independent auditors are responsible for auditing and reviewing those financial statements.

II. Composition

The Committee must consist of at least three directors, each of whom must satisfy the independence requirements of the Nasdaq Stock Market LLC (“**Nasdaq**”) and the more rigorous independence rules for members of the Audit Committee issued by the Securities and Exchange Commission (the “**SEC**”), subject to any available exception and meet all other eligibility requirements of applicable laws. Each Committee member must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee must be an “**audit committee financial expert**” as defined under SEC rules.

Committee members must be appointed and may be removed from the Committee, with or without cause, by the Board. Unless a Chair is designated by the Board, the Committee may designate a Chair by majority vote of the full Committee membership and meet all other eligibility requirements of applicable laws.

III. Meetings, Procedures and Authority

The Committee must meet at least once during each fiscal quarter.

The Committee has the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any applicable law and the Company’s By-Laws, as in effect from time to time (the “**By-Laws**”). The independent auditor or any member of the Committee may call a meeting of the Committee. Unless otherwise restricted by any relevant provisions of the By-Laws, all meetings of the Committee may be held telephonically. In addition, unless otherwise restricted by any relevant provisions of the By-Laws, the Committee may act by unanimous written consent in lieu of a meeting. The independent auditor is entitled to receive notice of every meeting of the Committee and, at the expense of the Company, to attend and be heard thereat, and, if so requested by a member of the Committee, shall attend every meeting of the Committee held during the term of office of the independent auditor.

The Committee may retain any independent counsel, experts or advisors that the Committee believes to be necessary or appropriate. The Company must provide for appropriate funding, as determined

by the Committee, for payment of compensation to the independent auditor for the purpose of preparing or issuing an audit report or performing other audit, review or attest services, for payment of compensation to any advisors employed by the Committee and for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

In addition to the duties and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities consistent with this Charter, the purposes of the Committee, the *Business Corporations Act* (Ontario), the By-Laws and applicable Nasdaq rules.

The Committee has the authority to conduct or authorize investigations into any matters within the scope of its responsibilities as it deems appropriate, including the authority to request any officer, employee or adviser of the Company to meet with the Committee or any advisers engaged by the Committee.
