

FOR IMMEDIATE RELEASE

## PRESS RELEASE

### MAGAL RECEIVES \$4 MILLION IN NEW CONTRACTS

**YAHUD, Israel – Aug. 27<sup>th</sup>, 2014** -- Magal Security Systems, Ltd. (NASDAQ: MAGS) announced today that it recently received a number of new contracts, amounting to more than \$4 million.

One of the contracts, amounting to almost \$2 million, is for a dual technology smart fence (taut wire and vibration sensors) for a homeland security application in Israel.

Magal also received approximately \$500,000 in orders for its latest fiber sensor technology to secure industrial sites and sea-ports in South-East Asia and the USA.

The balance of the orders were for a mix of products and projects including the expansion of a Ramat Ha'sharon safe city project in Israel and a smart robust grid to secure water canals in a nuclear power plant located in the Far-East.

**Eitan Livneh, President and CEO of Magal S<sup>3</sup>, commented:** "Following our strategic acquisition of long range fiber optic PIDS technology, we are definitely seeing strong traction for this technology. I am also encouraged by the ongoing receipt of follow-on orders from our existing customers."

#### **About Magal S<sup>3</sup>**

Magal S3 is a leading international provider of solutions and products for physical and cyber security, as well as safety and site management.
